# WELCOME

HOIST Men of Leather & Fetish would like to welcome you to our third official run and our fifth production of the MidSouth Kink & Leather Contest! We have an awesome group of kinky contestants competing, and the decision is going to be tough for the judges this year!

As I begin my first year, of my two-year term, as President of this amazing group of brothers, I have immense pride. HOIST began as a diverse group of leathermen and non-leather kinksters. Even among the leathermen who were attracted to the group, there was a mix of generations. What appealed to some members was the older, protocol-heavy leather, while for many the free-spirited, creative winds of the newer leather held appeal. Since our beginning we have tried to be a safe place for all kinds — what mattered was not the expression of leather or kink but the desire to build a community of like-minded men. With the latest additions of our energetic pups, we have continued our non-traditional tradition of building our community from every corner of the gay kink world.

Nevertheless, we are excited to present you with a kink-filled fun weekend including a special Delta Tango Foxtrot (D.T.F.) Dance party on Friday night hosted by Nashty™ Dark Dance, plus a new dungeon space, fun games, including our ever-popular lube wrestling, amazing cocktail parties of all kinds, including our first ever Pet Mosh session, and of course, our annual competition once again.

Finally, we hope that you will join us for our Pigs After Dark event at The Pumping Station on November 9th. This is a quarterly private event put on by the men of HOIST. Ask any of our full members for more information.

# 2025 MIDSOUTH KINK & LEATHER CONTEST

## JUDGING METHOD

The MIDSOUTH KINK & LEATHER CONTEST will consist of one day of competition. The winners will be calculated based on the scores from all 5 categories. The top and bottom score from each category will be dropped for each contestant.

A panel of judges shall score each contestant based on the following categories and point allocations:

- 1. INTERVIEW:** maximum 100 points per judge – Each contestant will meet with the judging panel offstage prior to the contest to answer the judges' questions about the contestant's interest in fetish and kink, knowledge, service in the community, and willingness and ability to represent the title.
- 2. INTRODUCTION & IMAGE:** maximum 80 points per judge – Each contestant will appear onstage to introduce himself to the audience and briefly describe his background or interest in the leather/fetish/kink community, while wearing attire that best represents his image as MIDSOUTH KINK & LEATHER SIR/BOY.
- 3. PHYSIQUE/JOCKSTRAP:** maximum 80 points per judge – Each contestant shall appear onstage in body-revealing attire that emphasizes his best physical feature.
- 4. POP QUESTION:** maximum 20 points per judge – Contestants will draw a pop question, be given a chance to read it, then the Emcee will read it to the audience and contestants will have a microphone to answer the question.
- 5. FANTASY:** maximum 120 points per judge – Each contestant will perform an onstage leather/fetish/kink sexual fantasy of their choosing based on what represents a personal kink/fetish.

## *boys*

### **Cody Tracey / Weasel**

I began my leather journey in Wisconsin during 2012-2013 becoming a boy to my first Sir Bob. Through his guidance, I delved deeper into the world of BDSM and leather. From there I was adopted by a leather family in Chicago. I began attending events like Mr. Wisconsin Leather, CLAW, and the like, meeting countless amazing individuals. I am now an active member of the Nashville Pup, Leather, and Kink communities and seek to give others the warm welcome I was once given.

### **Ronnie**

I am a 26-year-old trans-man born and raised in Memphis TN, I'm an artist and fashion designer, In my free time I also enjoy going to goth dance nights and playing video games and board games. I am still early in my kink and leather journey I learned about the existence of kink through porn (like I'm sure many others have) but my journey started when I joined HOIST in 2022. Joining gave me a sense of community and the opportunity to explore my kinks in a safe environment with those who are very knowledgeable. My first time wearing gear in public was such an amazing experience I'll never forget.

## *sirs*

### **Kevin Patrick / SIR Eros**

I am a life-long resident of the Mid-South with a bachelor's degree in education. I currently work as a Men's Fashion Stylist and Tailor. My hobbies include various artistic endeavors including drawing, writing, photography, crafting, and decorating. I recently taught myself to construct a fursuit head and am working on a fursuit body. I also enjoy my role as a Dungeons & Dragons Game Master, or Dungeon Daddy. One of my proudest endeavors was my participation as a winged fairy in the Mid-south Renaissance Faire.

### **James Patrick / SIR James**

I currently reside in Akron, Ohio with my husband and 4 wonderful and "opinionated" fur babies. My major platform is to help the youth in Northeast Ohio who have been cast aside by their immediate family. When I am not busy with charity organizations, I am currently a United States Postal Carrier. I am also proud to say I am a veteran of the Army where I was a 2nd Lieutenant.

# MEET THE *judges*

## **Nash Carlton**

Nash has worked to serve the greater northeast Ohio leather community for many years. He held the Mr. Leather Akron title in 2017. He held the Mr. Ohio Leather title from 2020-21 and went on to compete at IML in 2022, meeting individuals from all walks of life along the way. From pride events to dance parties, he remains committed to promoting inclusion and diversity in kink, leather, and beyond.

## **ALPHA PUP Dikaia**

Dikaia, PhD first got involved in the Ohio leather and furry communities in 2018 and has since become an avid kink educator and outspoken community leader. As Mr. Ohio Leather 2024, he has worked to provide education regarding leather, kink, and fetish to learners of all knowledge levels, at CLAW and the International Puppy and Trainer Contest (IPTC). Dikaia produces the Ohio Bear and Mr. Leather Akron title contests, and firmly believes that the leather, kink, and fetish communities should be accessible to all, and advocates that new community members be welcomed regardless of their level of experience or gear ownership.

## **Matt Fuerst**

A native of Cleveland, Ohio, Matt proudly holds the title of Mr. Cleveland Leather 2023. He is a mechanical engineer, computer scientist, and product manager in addition to being an avid leatherman. Matt sees no reason why anyone can't be both professional and kinky. He proudly competed at IML 46 in May 2024 and placed in the top 20. He is a co-owner of the CLeather & Kink Company with his business partner Andy Curtiss.

## **SIR Apollo**

SIR Apollo is Mr. Atlanta Eagle 2022. He is a registered nurse, Leatherman, and US Marine. He is an advocate for versatility in leather, and he believes that sex is not just physically healthy but also emotionally and mentally healthy. His mantra: Have as much sex as you want and have the sex life that you want given consent and safety.

## **Pup Rusty**

A mischievous and creative individual, Pup Rusty held the Mr. Leather Akron title in 2023 and works with Nash to advertise, promote, and host events for the community as a part of the Nashty brand. He is always eager to share his love for the community, kink, and gaming. He also broadcasts on Twitch where he provides a safe space for the community online while simultaneously discussing kink, leather, and more.
